The Beggar's Banquet is a huge fundraiser that raises money for the Safe Harbor Support and My Friends' Place! These places help children and families recover from abuse and neglect and helps homeless teens in our area. We will be helping at the soup contest and driving attendees. If you have a food handler's card or a driver's license, we definitely will need your help! If you don't have either, there are still ways you can help, we need as many volunteers possible :)
